

Explore Engineering Event

Saturday, May 4th

West Coast Area is partnering with UBC Geering Up! Engineering Outreach to offer a fun and fascinating event on Saturday, May 4th, 2019 from 9:30 am to 2:00 pm. **This free program is open to all Guides, Pathfinders and their Guiders!**

Girls will participate in cool hands-on activities, meet other Guides and Pathfinders from across the Lower Mainland, and talk to female engineering students who will share their experiences. Lunch and snacks are provided.

Registration is individual – girls can come by themselves, with a Guide friend, or as a unit with leaders. Leaders can also attend individually. Event registration will be limited to 50 girl participants.

Registration steps:

1. Complete the attached forms (SG.2, H.1 and Geering Up! waiver form) for each participant. It is very important to list TWO emergency contacts and attach a photo to the H1 form.
 2. Scan and e-mail forms, along with any dietary restrictions, to Christina Noel (Responsible Guider) at: christina.[noel@outlook.com](mailto:christina.noel@outlook.com). If there are any allergies/ dietary restrictions/ etc., please highlight these again in your e-mail.
 3. When your forms are received, you will get a confirmation of registration by e-mail.
- **You are not fully registered until these forms are received. ****

Deadline for receiving complete registration packages is **April 26th, 2019.**
