Vancouver BC V5R 0A4

REQUEST FOR MEMBERSHIP SUBSIDY

The general guideline is that every girl should have the opportunity to join Guiding and that finances should not hold her back. West Coast Area is willing to cover up to the full membership fee for those girls requiring a subsidy.

Where a financial need is perceived, the Unit Guider discretely asks the parents, "What can you afford?" The Unit Guider consults with the parent to determine how much the family can contribute. The Unit Guider must sign the form and forward it to her District Commissioner for approval. The District will hold the subsidy request until invoiced for the paper membership fees.

Twice yearly in December and April, West Coast Area will receive an invoice for the National fees applicable to the paper registrations. At that time, we will invoice the Districts and reconcile the membership subsidies. If a Unit or District requires their portion of a subsidized membership prior to December or April, the District Commissioner gives Area a list of the iMIS numbers of the girls who require subsidies; Area will issue an advance to the District, who will pass the Unit portion to the Unit.

Please forward the A5.P immediately to the iMIS input adviser so the girl will be registered with the unit

Girl's Name or iMIS number: _____

Unit: _____

District: _____

The full Registration fee for BC is \$105.00

Family able to pay: \$ _____

Subsidy requested: \$ _____

Unit Guider's signature: _____ Date: _____

District Commissioner's signature: _____ Date: _____
