REQUEST FOR PAYMENT OF MEETING LOCATIONS

The West Coast Area Council collects \$5 as part of the registration fee to help offset the cost of facilities. This includes payment for schools, churches and other venues for weekly meetings.

If you have an invoice for your meeting location, please attach a copy.

To allow Units and Districts the option of issuing a cheque from their own bank account, please indicate how the cheque should be payable (to the location provider, Unit or District?) and where it should be mailed.

Note: Vancouver School Board is handled directly.
